Counsel,

We are counsel for Plaintiffs in *De Coster et al. v. Amazon*, Case No. 2:21-cv-00693, and believe that your cases, *Hogan v. Amazon*, Case No. 2:21-cv-00996, and *Seberson v. Amazon*, 2:21-cv-01009, are related to and should be consolidated with *De Coster*. We would like to file a stipulation to consolidate or motion to consolidate—depending on your view of consolidation—early this week. Would you let us know your position with respect to consolidation at your earliest opportunity? We are available to discuss with you live.

Thank you.
